Quick **SMART** Guide

## UNIQUE FEATURES & BENEFITS OF SMARTCASH

### SmartWallets

More than a wallet–It's a dashboard to your SmartCash experience, and only you hold the keys.

### SmartVoting

Every SmartCash holder gets a voice in the direction of the project.

### SmartCard

Removing the 3rd Party from the Payment Process. Print it out or use it on your phone.

### SmartHive

A Decentralized Community Governance & Structure Model.

### SmartRewards

Hold & Save your SmartCash & Earn a Monthly Payout.

### SmartNodes & Mining

These Features allow Instant Transactions and help Secure the Network.
